Important Notes (Please Read):

1. Rent is due on the 1st every month. Pay by mail, online or onsite drop box.
 2. Call the manager 10 days before you move out to give proper notice.
 3. Your lock claims your unit. Always keep it locked or else it looks abandoned.
 4. We strongly recommend using a high security disc lock to protect your property. This is a self-service facility with minimal security procedures.
 5. Read and understand the entire contract before deciding if this type of facility is suitable for your storage needs and meets your personal expectations.
 6. **The value of all stored items may not exceed \$2,500. Do not store irreplaceable items at this facility, or any dangerous or flammable items.**
 7. Only you are responsible for caring for your property. We cannot check on it.
 8. You must inspect your unit regularly and call the manager for needed repairs.
 9. You must notify us in writing if your contact phone or address ever changes.
